ARSON CITY SIGNS WITH THE 517 LABEL

Arson City is a hard hitting hard rock band right out of the heartland. Massive guitar riffs, thundering drums, rounded off by gritty melodic vocals. Arson City is not new to the touring scene having already shared stages with bands like Pop Evil, In this Moment, and Papa Roach to name a few. The only thing better than listening to their songs is seeing it go down live.

Arson City is:

Lead Vocals - The Mayor, Patrick Michael Wilson

Rhythm Guitar & Programming – The Doctor, Mark Beckenhauer

Lead Guitar – The Dealer, Matt DiBaise

Bass Guitar – The Con, Matt Oliver

Drums – The Enforcer, Matt Denker

"It is an absolute pleasure to get a chance to work with these guys. They absolutely smash it on stage, fantastic musicianship and a huge sound. We have so much planned for Arson City, studio time, several tour dates and a new album next year. I can't wait to see what we can accomplish together". 517 CEO Mike Goodman
